Make your career path come true

For most people, a good career is one of the most important goals in life. It's critical to realize that beyond salary and wages, the ideal career helps you achieve a rewarding and fulfilling life. People flourish in environments that stimulate them to reach their fullest potential.

Rieker was established with two passions: a love for creating sensor solutions and an aspiration to build a supportive environment for people to pursue a rewarding career. This is the spirit with which the company was founded, and it remains the core foundation of our success today. Those who succeed at Rieker embrace our values, take advantage of business and cultural assignments to gain valuable experience, and find ways to apply their unique talents and skills.

Thank you for your interest in starting your career at Rieker Inc.
